

## **PRODUCT INTRODUCTION SHEET**

IC	dentification	
temnr Varia-Pack	Supplier Product reference	116630
	Name of supplier	Duni Benelux
	Product description E	BOX 1COMP SALAD PS 118x118x80
picture		
	country of Origin	Belgium
Dimensions	/weight of the product	
roduct dimensions (LxWxH)	Weight of the product	
		1,49866666666667 gram
hickness (μ or g/m²)	Raw material 1 kind + % of weig	ht
Colour(s) product	Polystyrene-plastic Raw material 2 kind + % of weig	ht
BLACK/TRANSPARENT	That material 2 km a 70 of Weig	,,,,,
·	Raw material 3 kind + % of weig	ght
September 1 and 1	Factories and " 12	
Content (ml)	Fost plus contribution	
Dimensions/weigh	ht of the transport packag	ging
Box dimensions (LxWxH)	global weight/Box, product inclu	
599 x 399 x 293 mm	global Weighty Box, produce meia	6290 gram
olume of the box	Tarra weight/box (gram)	
70,027293		853 gram
ind of material/box carton	Weight of other transport package	ging (f.e. stretch foil)
letto weight per box	Val-I-Pack contribution	
5437 gram		
	Fost Plus product code	
10	gistis Dotails	
ead days	ogistic Details  Maximum height of pallet (europ	aallat included)
2 working days	Waxiiiidiii Height of pallet (edrop	1200x800x1010
finimum delivery quantity	Format and type of the pallet	
1 carton		europallet
tock product (yes or no)	Pallet exchangeable, invoiced (pr	rice) or one way
nventory parameters	EAN code of the product	
		7321011166305
Ibr units per box	EAN code of the box	
375		7321031166309
Ibr boxes per pallet	EAN code of the pallet	
12		
lbr layers per pallet	EAN128 identification (yes or no	)
3		
torage temperature range (°Celcius)	Storage humidity condition	
	Various	
Aini and maxi usable temperature range (°Celcius)	Intrastat Taric code	
	39241000-1	
Possible environmental benefit	Product subject to picknic tax	
OSSIDIE ENVIRONMENTAL DENEME		
ossible environmental benefit		
ossible environmental benefit	Complies with EC regulation 193	5/2004 (yes or no)
