First Aid	Eyes:	Flush with plenty of cold water. Seek medical advice if necessary
	Skin:	Wash with soap and water
	Ingestion:	No hazard under normal conditions of use
	Inhalation:	No hazard under normal conditions of use
Spillage	Wash area with detergent and water to avoid slip hazard	
Disposal of waste	Normal waste disposal in accordance with local and national laws	
Other hazards	None known	
Protective clothing	Normal for food handling	

Product Technical Specification

Handling and Usage Instruction:

For each 1Kg of cake, you should use no more than 6g of Liquid Colour.

As this is a concentrated food colour, this might need to be thinned down slightly using water to create a paler shade of colour.

Possible Applications:

Mix into royal icing, buttercream and great for using through an airbrush.

Recommended Storage:

store at ambient room temperature
