

Product Datasheet

F580-26
Version 1
20-02-2025

Designation	Gour 250
Reference	F580-26
	G580-0T
Suitable with	G580-1T
	G580-2T
	G580-5T

Technical Data

Manufacturing Process	Blow
Owner	Plásticos Futura, Lda
Production Environment	Controlled for food packaging

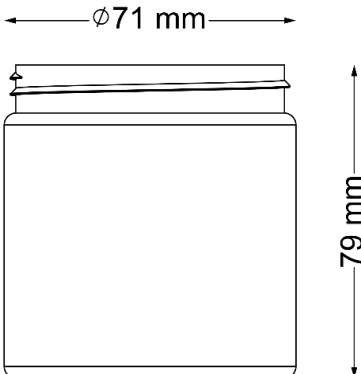

Technical Features

Raw material	PET / RPET	Available colors	Colorless / Black / White
---------------------	------------	-------------------------	---------------------------

Technical Symbology		Food Contact
		PET Recycling

Extra Info	n.a.
-------------------	------

Product Details

	Useful Capacity	0,25 L
	Maximum capacity	0,30 L
	Weight	PET 20,0 ± 0,6 g
		RPET (30%) + PET (70%) 20,0 ± 0,6 g
	Type of Quality control	Visual and weight control
